## **V. Old Business**

### **A. Director's Report**

Ms. Peggy Boykin, Executive Director, reported that H.3726 has passed the House, but was amended in the Senate, and the House will debate the amended bill next week. Ms. Boykin reviewed funding mechanisms in the bill that would meet the recommendations of the Joint Committee on Pension Systems Review including: reducing the amortization period from 30 years to 20 years over a reasonable time period in order to eliminate the negative amortization; capping the South Carolina Retirement System (SCRS) employee contribution rate at 9.0 percent, and the Police Officers Retirement System (PORS) employee contribution rate at 9.75 percent; and increasing the employer rate by two percent this year, and one percent each year thereafter for the next five years.

Ms. Boykin advised that the House has finished budget deliberations, and Senate Finance will begin budget deliberations this week. Ms. Boykin stated that the current version of the budget includes \$10 million as requested for implementation of the Operational Assessment; approximately \$25 million for full funding of the State Health Plan (excluding well visits), with no employee premium increase and no changes in co-payments or deductibles; and approximately \$150 million for pension funding to support the increases in retirement contributions. Ms. Boykin explained that the House version of the budget intends for the general fund to cover approximately \$35 million of the first one percent of the increase in employer contribution rates, and the entire second one percent (approximately \$100 million) of the increase in employer contribution rates for all employers regardless of source of funds.

Vice-Chairman Pearce strongly encourages each Board member to reach out to their appointers to stress the importance of adding adult well visits to the State Health Plan thereby reducing health care cost. Chairman Sowards agreed and echoed Vice-Chairman Pearce' comments.

## **VI. Adjournment**

There being no further business, and upon motion by Mr. Frank Fusco, which was seconded by Mr. Heisler, and approved unanimously, the Board meeting adjourned at 12:50 p.m.
